# Argumentative Research Paper PROMPT (Research Question):

Using the information you collected for **your 5 sources**, write a 6-paragraph argument essay presenting your position on the research question.

- Choose which side of the argument you agree with personally; this side becomes your CLAIM and is the focus of the argument essay.
- Address the counterclaim (the other side of the argument) in a welldeveloped counterclaim paragraph within the essay.
- Your thesis statement should present your claim, acknowledge the counterclaim, and include 3 main sub-points that support the claim.

I have provided you with an outline for your paper that you will be using to write your essay. You MUST turn that in with your final. If you follow that outline you WILL do well ©

### Minimum Requirements:

- 1. MLA Format
- 2. Clear thesis with claim, counterclaim, + 3 sub-points.
- 3. At LEAST **two** in-text citations per body paragraph
- 4. Works Cited Page (using at least 4/5 sources)
